LUMBER PLANT DESTROYED.

LOSM to Greensboro Concern Probably Will Reach \$40,000.

[Special to The Times-Dispatch.]

Greensboro, N. C., July 2.—The Guilford Lumber Company's plant was partially destroyed by fire to-night, entailing a loss of between \$20,000 and 10,000 in burned machines, finished work and rough tumber. There is small insurance.

Five years ago the company purchased the Greensboro Lumber Company, just across the street from its plant, and has been using this new plant principally for its fine goods and machinery building, and the dre of tonight will not delay work very long, since the old plant will be speedily utilized. About seventy-five workmen will be temporarily out of jobs.

Frey was taken to a nearby hospital, where he was found to be suffering from a dislocation of a snoulder and serious internal injuries. He died at the hospital shortly before midnight. His home was in Trenton, N. J. Later on, Louis Disbrow had a narrow escape from a similar accident at the same place, when a front wheel tire blew up in the sitty-seventh mile of a sixty-mile event. He and Ralph DePalma held the lead until the accident put Disbrow out. DePalma was an easy winner, his time for sixty miles being 59:21:37.
